Geotechnology Business Opportunities with Government, Sixth edition, March 2008	\$409.00
License to host on intranet accessible by more than 100 employees: call for pricing	
Total	

I understand that the market report will be delivered as two attachments (total 603K) to an email: a pdf file of the report text with live links, and an xls file formatted for printing. I agree to accept the report content "as is."

The market report is the professional opinion and sole property of Cary and Associates. This license allows up to 100 people in my organization to have access to the report. I agree that if I wish to share, reproduce or distribute this report or any portion of it in any form to anyone outside the purchasing entity, I will first obtain express written permission of Cary and Associates.

I have read the description at http://caryandassociates.com/marketing_tools/market_reports/rpt1.html and I understand that all sales are final.
